

## UPLOADING GRADES INTO THE GRADE ROSTER

Uploading grades allows Instructors and faculty graders to load grades into the myUH Faculty Center grade roster rather than manually entering each individual **Grade**, **Grade Reason**, and **Date of Last Academic Activity**.

### Prepare Upload File

- The spreadsheet should contain only four columns:
  - The first column should contain the students' **myUH IDs**.
  - The second column should include the **students' grade**.
  - The third column should contain the **Grade Reason** (Never Attended, Completed the Term, or Stopped Attending) **for students who receive a Failing or Incomplete (I) grade**.
  - The fourth column should contain the **Date of Last Academic Activity** in **format MM/DD/YYYY**. The date is **required** for students with a Grade Reason for **Stopped Attending** or have received an **Incomplete "I" grade**.
- There should be **no headers** on the spreadsheet.
- Save the file as "**CSV** (comma delimited) file type. Note: MAC users—in the "Format List", select Windows Comma Separated (**.CSV**).

### Uploading the Grades

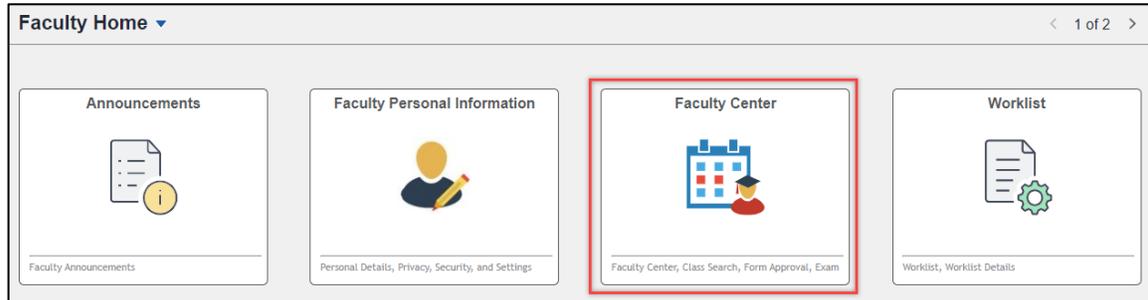

Log into AccessUH.

Select the myUH self-service icon in the University Services area.

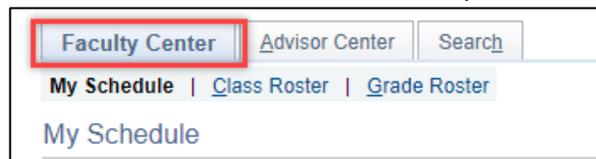

Select Faculty Center tile.

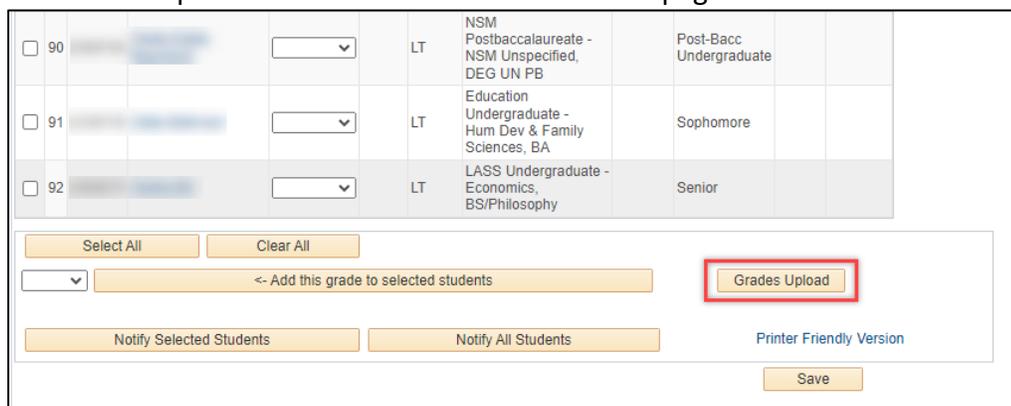

Courses you are assigned as an instructor are listed in Faculty Center.

Click the “Grade Roster” icon to the left of the section to be graded.

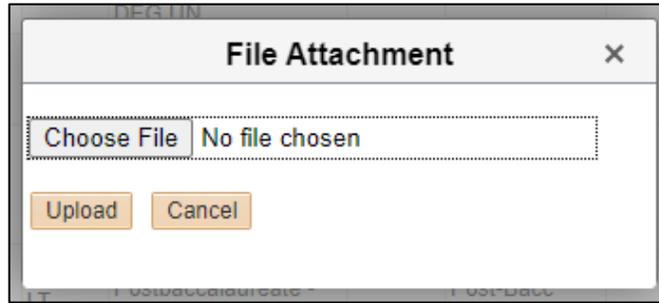

Then click the ‘Grades Upload’ button near the bottom of the page.

Choose the CSV file to be uploaded. **The Roster Grade, Grade Reason and Date of Last Academic Activity** from the file will be **uploaded to the Grade Roster**.

### Unsatisfactory “U” or Failing “F” Grade

Students who receive a grade of Unsatisfactory “U” or Failing “F” the grade reason (Completed the Term, Never Attended, and Stopped Attending) listed by the instructor in the CSV will be uploaded. If the student Stopped Attending the date of last academic activity entered in the CSV file will appear.
