Spring 2025

COLLEGE COMMENCEMENT CEREMONY

How do I apply for graduation?

Apply through your myUH account. The deadline to apply for graduation is **February 21, 2025** with a \$25 filing fee. Late applications are accepted from **February 22, 2025** through **March 21, 2025** with a \$50 filing fee. No applications will be accepted after the **March 21, 2025** deadline. The University of Houston Spring 2025 Commencement Ceremony for the Conrad N. Hilton College is scheduled for **Friday, May 9 at 9 a.m.** at the University of Houston's Cullen Performance Hall.

We make every effort to ensure that all graduating students who apply on time are in the commencement program. However, if at any time you have requested privacy protection for your academic records, your name cannot be published in the program unless you have indicated on your application for graduation that you want your name to be included. Although your name might not be included in the printed program, you will still be individually recognized by name as you cross the stage during the College Commencement Ceremony.

Will I graduate with honors?

Undergraduate students who have completed the graduation requirements of the Honors College, including a senior honors thesis or senior honors project, are graduated with "University Honors with Honors in Major." Undergraduate students who have completed all requirements of the Honors College except for the thesis or project, are graduated with "University Honors" (*see University Honors College*). Undergraduate students who successfully completed a senior honors thesis or senior honors project, and who are not members of the Honors College, are graduated with "Honors in Major." Undergraduate students who completed their degree requirements will graduate with the stated academic honors if they achieve the grade point averages listed in the honors categories below. Final GPA's are comprised of A, B, C,... letter grades and are based on the last 54 credit hours (all of which must be completed at the University of Houston). Grades of S, U, I and W are not assigned grade point values and are not used in the computation of the grade point average.

Honors Categories

Summa Cum Laude (3.9 to 4.0 - with highest honors)

Magna Cum Laude (3.7 to 3.89 - with high honors)

Cum Laude (3.5 to 3.69 - with honors)

Furthermore, the honors calculation will include all hours completed in the semester in which the last of those 54 hours were completed.

The diploma-printing company will also send e-mail notifications to diploma recipients indicating when diplomas have been mailed. It's important to keep contact information updated in myUH to avoid shipment delays.

***NOTE:** There is a \$25 fee for each additional diploma ordered. This fee does not apply to the initial diploma mailed upon graduation but will apply to additional copies as requested on the diploma order form.*
