Developing these direct event costs and working with campus departments to prepare event estimates for a sponsored organization is the responsibility of the sponsoring department. Estimates for direct expenses will be provided, billed, and paid in advance of the event. The sponsored organization may be responsible for additional costs if damages or repair are needed following the event. Processing the facilities license agreement, receiving payment in advance for direct expenses, and ensuring advance payment is provided to UH departments is the responsibility of the sponsoring department. Event bookings in E&G spaces will not be confirmed for sponsored organizations by the Senior Associate Vice President for Administration until completion of these steps is confirmed in writing by the sponsoring department and departments providing event support services, such as Facilities/Construction Management, UHPD, and Parking and Transportation Services.
