FY26 Base Request - Web Director Stipend

We'd like to request a stipend for the Web Director position. We received One-Time funding for the past 2 academic years for a Web Director. This position was beneficial for those years as it put more structure for the organization. Because of this structure laid out in the past academic years, Coog Radio is able to focus on expanding college students' music journalistic skills. The Web director maintains an editorial calendar, manages show coverage, and helps members gain journalistic experience through both photography and writing. A base time request will help the director maintain their success with Coog Radio Website maintenance.

Funding Towards

- Web Director, \$645.00 x 12 months.....\$7,740.00

Total: \$ 7,740 + \$464.20 (Admin. Fee).....**\$8,204.40**
